END OF TERM TREAT

Our end of term treat is planned for the last week of term. Whilst the treat is a surprise there will be an opportunity for children to buy pocket money goodies. If your child has earned the right number of stickers to join in the treat and you would like them to have the chance to buy a treat at the end of the day please send two to five pounds in a sealed envelope with your child's name on it on Monday 30th March. We will keep the money in the safe for your child until the day of the treat.

TALK TOPIC

This week's talk topic is: Is it ethical for us to shop in Primark?

As usual we ask that you discuss the topic with your child prior to our own discussions in school. Last week's topic provided some interesting discussions and sparked the curiosity of some children prompting additional research.

COMIC RELIEF

After a great comic relief day we are pleased to tell you that the sale of cakes and non uniform money raised £132.35. The children voted to send the money to support homeless projects in the UK. Well done everyone!

PARENTS MEETING

We will be holding a parents evening to discuss school issues on Monday 30th March at 7.00pm in the school hall. Please do come along to discuss the OFSTED report (which is available off the OFSTED website under our school name) and the outcomes of the governor survey many of you filled in at the end of last term. We have much to celebrate and many things we still need to do; your feedback is crucial to our future successes. Please do come along. Refreshments will be provided.

SCHOOL

REFURBISHMENT

Over the Easter break we will be having some refurbishment work done to improve our school building. This is being funded from

monies from the diocese specifically assigned for building works. All KS1 and KS2 classrooms will be having an external door fitted to enable them to access the outdoor environment. This will be a bonus when the better weather! The Learning Mentor room is also having a kitchen area fitted to bring it in line with nurture standards. This will be located in the corner of the room by the door and will have both high and low work surfaces for children to work on. Finally the staff room is having the kitchen area refurbished with an altro floor being fitted around the sink area. The classroom work is expected to take the two full weeks of the Easter break, finishing on the Sunday. In order for staff to get furniture and sufficient resources back into the classrooms ready for the children, we will be reopening on Monday 20th April at 10.30am. We will not be serving toast that day but dinners will be on as usual.

Housepoints

This week our house teams scored:

St Andrew - 226

St David - 209

St George - 301

St Patrick - 258

Congratulations to St Patrick's!
