Welcome back to the summer term. We hope you all had a good Easter break. Our refurbishments are mostly finished and we are very pleased with the outcomes. We are hoping to be able to show off the Learning Mentor room at a coffee morning and hopefully with a cookery club....once the cooker is fitted and the ICT updates to the server are complete! Watch this space!

SCHOOL UNIFORM

As we enter our new term and warmer (we hope!) weather may we remind parents that our school uniform is still black sensible shoes, grey trousers or shorts for the boys with a pale blue shirt, school sweat shirt and tie. For the girls sensible black shoes, blue summer dress or grey skirt or trousers with a pale blue blouse, school sweatshirt and tie. Knee length grey culottes may be worn instead of a grey skirt. If it is particularly warm ties need not be

worn. Jewellery is not permitted in school.

PARENTS MEETING

You should by now have received the minutes from the parents meeting held at the end of last term. They are a factual record of what was discussed. We hope you find them informative and helpful and a positive step forward as we felt the meeting itself was.

ABSENCE FROM SCHOOL

Sadly our great progress towards our target of 95% whole school attendance slipped last term. As you are aware prompt and regular attendance is vital to your child's success in school. If your child is ill and unable to be in school please call the office to let us know so that your child can be marked in the register accordingly. If we have no explanation your child will be marked in as an unauthorised absence. This can invoke contact or a visit from the Education Welfare Officer. We advise that holidays are not taken in term time to ensure your child gains the most from their learning.

e-Safety

We will be holding a meeting for staff, parents and governors on e-Safety issues at 6.00pm on Monday 1st June in the school hall. We will be explaining the precautions which should be taken to protect children from internet dangers and promoting safe practises when using the net. Following on from this we would like to review our e-Safety policy. We invite parents to join us on the morning of Friday 12th June at 9.15am to help us do this effectively. Please sign in at the office and then join us for coffee and idea sharing in the Learning Mentor room. Please put this date in your diary and come and join us.

NEW INITIATIVES

We would like to introduce half termly progress awards for children and present them at the end of term celebration assembly. We would very much like parents to join us for the presentations. Your class teacher will let you know in advance if your child is in line for an award.
