CAN YOU HELP?!

We have a very limited window of opportunity to apply for funding from the National Lottery to set up an after school cookery club. This would fund 12 sessions over the year and include training for two adults to be demonstrators for the club. We would very much like some support to run the club which we believe we could run in the learning mentor lounge with its new kitchen area. There are 14 grants to be awarded in Stoke on Trent and bidding starts at 3.45 precisely on 20th May. If you would be interested in helping to run the club or if we were successful to attend a start up day with your children on the 1st December with members from the school team please get in touch via your class teacher or the office. We need to be able to demonstrate the club could be sustained for a three year period. This is a great opportunity which would fit in with our healthy lifestyle plan which you contributed to last term.

THE BIG TIDY UP

We have registered to take part in the Big Tidy Up. Our Eco Warriors are organising the event which will take place on Tuesday 19th May. During the day we will be clearing our site and its boundaries. Each class will spend time out collecting and removing rubbish in a particular area of the school and we will be looking into the hazards of dropping litter. Please complete the proforma on the letter coming under separate cover if you can come along and help on the day. We will be recording our efforts digitally and posting them on the Keep Britain Tidy website. If any parents can spare a little time to assist the Eco Warriors in this task during or after please get in touch; your assistance will be greatly appreciated.

CURRICULUM NEWS

We are pleased to announce that Miss Whalley will be covering for Mrs Bowyer whilst she is on her sabbatical leave next half term. She has already visited the class and the school and will be joining us from the 18th May until the end of the term. Mrs Bowyer will still be popping in to see us and keep

up to date with what's going on in school.

FLU PANDEMIC

The School plan to deal with such an emergency can be found on our website along with a copy of the contact form which we asked you to complete this week to ensure we are up to date with emergency contact numbers and emails.

YEAR 6 SATS.....

Tests will be taking place every day next week. Year 6 has worked really hard to in the last few months to achieve their targets and we wish them every success in tests. Good luck everyone!
