KS2 SATS....

took place this week. All our children have worked very hard to show their skills off to their best. Year 6 in particular have had a very intense week with a morning of tests everyday this week. They have been well supported by the rest of school and we will all need a relaxing weekend to get over all the hard work. Internal marking of Years 3, 4 and 5 SATS is underway and we should know Year 6 results on the 8th

July....fingers crossed!

They were collected on time so that's a good sign!

THE BIG TIDY UP

Please accept my apologies and note that the Big Tidy Up will now take place on **Thursday 21st May** at the advertised times. A letter should have reached you at the beginning of the week explaining the error and giving you the opportunity to select a class or a time to come and support us.

All details remain the same and again, if you have any technical wizardry that can help our Eco Warriors get the digital photos on the Keep Britain Tidy

website please do let us know.

e-SAFETY

A reminder that we will be holding a joint parent governor and staff meeting about e-Safety on the evening of 1st June at 6.00pm. We encourage everyone to come along to find out about how we can both protect and teach our children to use the internet and other technologies safely.

MUSIC FOR YOUTH

KS2 have been provided with free tickets to see a musical extravaganza by Music for Youth on Tuesday afternoon. A letter went out to you at the beginning of the week requesting photograph permission and acknowledgement that the children will be a little late back to school. It promises to be a great afternoon for all involved.

KS1 'SATS'

These are an informal event which will take place as part of classroom routine during June. Again our children have worked really hard and we hope they will show their skills off to the best in the 'tests'.

MAMA MIA

We have been invited to see Mama Mia at Blackfriars

School in July. We have been informed that there is some mild bad language within the script. We would hope to discuss this with the children prior to the event. However, if you have a particular concern about your child attending please come in and see your class teacher.

GARDENING CLUB

We are pleased to announce that we have secured some short term assistance for our allotment from the Bethel City Church Youth Team and so will be able to take more children out to develop their green fingers. We also have two parents who have agreed to join us. We will be heading off on Wednesday and Friday lunchtimes. If you can help in any way please let us know.

FLU PANDEMIC

The School plan to deal with such an emergency can be found on our website along with a copy of the contact form which we asked you to complete this week to ensure we are up to date with emergency contact numbers and emails. We are still a number of forms short. Please return them as soon as possible; just in case.

Housepoints

This week our house teams scored:

St Andrew -

St David -

St George -

St Patrick -

Congratulations to St's!

Stars of the Week!

St Nicholas -

St Therese -

St Maximillian -
