

Apologies

My sincere apologies go to Ethan Majer and Niamh Fisher. I managed to completely mis-spell their names on last week's newsletter. Hope I've got it right this week!

Christmas Plays

Tickets will be on sale from Monday afternoon from the office. We are restricted to 180 people per performance due to our fire regulations, so it will be ticket only. We remind parents that any small children attending any of the performances will be expected to stay quiet and that all mobile phones must be turned off. If all photo consent forms are not returned prior to the performances we will be unable to allow any photographs or videos to be taken of the shows. We will let you know on Friday one way or the other.

Christmas Fair

Thank you for your support. The bottle stall was a great success. We will let you know the total

raised once the final figures are known.

Christmas Festivities

.....begin next week! Our Christmas tree arrives on Monday and on Friday we will be having a late lunch to accommodate our dress rehearsal. Please make sure costumes are ready and in school for the big day! The main performances are on Tuesday afternoon at 1.00pm and Wednesday at 7.00pm. We will look after KS1 children whilst KS2 children perform. Precise details will be provided by your class teacher.

On Monday 7th we will be having an early lunch so that we can walk to Blackfriars for 12.30pm. We will be limiting the toast order to one slice per child on that day so that we can eat lunch too.

Bike It Apologies

Steve our Bike It rep send his sincere apologies for mixing the date of the de-stabiliser training with that of another school. We are trying to arrange an alternative date before we break up! Thanks to those of you who valiantly came on your bikes despite the awful

weather.

Creative Partnerships

We are fortunate to have successfully gained funding for a one term project with creative partnerships. We have two partners working with us over all key stages. The children have been involved in interviewing the partners and helping plan the project they will be taking part in. We will be working with a well travelled photographer who we hope will help us make links with other schools and an ICT company who specialise in filming. We hope to include you as well so look out for details in the new year.

Year theatre trip.

A final plea for trip money for the New Vic to see The Lion, The Witch and The Wardrobe. It has just had a great write up in the Sentinel and we are really keen that the children should take part in the experience. Sadly, if we cannot meet the theatre payment we will lose our seats and will have to cancel the whole trip. If you would prefer to pay in instalments please send in a first payment to secure your place. Thank you for supporting us at this expensive time of the year.
